Season

**A  
PEBBLE PLAYERS'  
REPRISE!**

Elle Woods thinks she's made it: adoring Delta-Nus, killer accessories and Mr. Perfect. But when her boyfriend dumps her so he can start getting serious about life, Elle charms her way into Harvard Law to follow him. There, she learns that there's more to life than being...Legally Blonde.

**NOV. 3-5 & 10-12**

**OUR FIRST  
MUSICAL FOR  
MIDDLE SCHOOLERS**

When a daydreaming mermaid falls for a two legged prince, only an evil enchantress can help her. But the bargain she makes costs her her voice, and possibly much more.

**JAN. 19-21 & 26-28**

**ANOTHER  
CHRISTIE THRILLER...  
PERHAPS HER BEST EVER!**

Probably Agatha Christie's greatest achievement. Sophie Hannah of the The Guardian described it as: "Instantly gripping... I had a strong sense of being pulled into an eerie dream – and, like the characters on the island, I could not escape."

**APRIL 6-8 & 13-15**
