## HEATHERS

*Heathers, The Musical High School Edition*  
When the rebellious Veronica meets the romantic wild card, JD, the hierarchy ruled by the clique of Heathers falls apart with a series of accidental and not so accidental deaths. Based on the 1988 cult film, this rock musical uses dark humor to explore issues of bullying, teen suicide, and violence in schools. Heathers exposes the dark undercurrents in high school relationships, creating a show of high emotion.

**This show has adult content.  
Audience restricted to 13 years old and up.**

## ANNIE, JR

Leapin' Lizards! The irrepressible comic strip heroine takes center stage in one of the world's best loved musicals. Based on the popular comic strip, Annie The Musical tells the story of the little orphan Annie who foils the plans for the evil Miss Hannigan and wins the hearts of everyone she meets.

## THE MAN WHO CAME TO DINNER

While on a speaking tour, the arrogant radio personality Sheridan Whiteside injures himself and becomes an unexpected houseguest for the Stanley's, a prominent area family. Whiteside's endless demands turn the household upside down, especially when Whiteside's beloved secretary falls for a local reporter and he launches every ploy he can to keep her in his employ. This three-ring circus of machinations keeps the audience in uproarious anticipation as to what happens next.
